TRAIL: Rated 1+. The trail is primarily along sidewalks and city streets, including both residential areas and the central business district. Warrenton is a very historic town with a very large number of identified Colonial and pre-Civil War homes. The trail passes many of these historic homes. The trail includes a highly unusual and very beautiful cemetery. Medium difficulty for strollers, unsuitable for wheelchairs. Pets ok.

HOW TO GET THERE: Registration is by mail only through the POC. Directions to the Start Point will be sent to each participant when they pre-register.
